That it pays to advertise is shown from the successful week experienced by T. H. Just think of it! 13 of these splendid friends to the deserving wife in a single week and too, at the very dullest season of the year. This enterprising firm have the finest retail hardware store in the First District and they are reaping a rich harvest from a liberal use of printers ink. Many of these Ranges were sold to people coming long distances and yet they were fully paid for their long trip as our dry goods and furniture dealers had also advertised extensively giving them an opportunity to secure some splendid bargains.

### GOOD EPWORTH LEAGUE SERVICE

There was a good attendance at the Epworth League service Sunday night. The leader was Miss Nannie Rochester and the lesson "Ingratitude." Miss Nannie made a splendid leader, showing a knowledge in such things far in advance of her years. We were proud to note the number of intelligent young people present. It speaks well for their future.

### Lebanon Bible Conference.

This is the third year of the Bible Conference at Lebanon, Tenn. The two previous Conferences received many words of praise because of their success, but it is on every one's tongue that this Conference has surpassed any of the preceding ones. The attendance was better this year than ever before. The situation is favorable for a delightful spirit of fellowship, and with the cordial spirit was a feast of social enjoyment from first to last. The program was a social spirit so prominent in the South, strong and practical. Nowhere in this country could we have received more excellent things in the short period of one week. Fourteen States, Japan, China and Siam were all represented. The Conference was opened with an inspiring sermon by Dr. J. W. Barkley, Moderator of the General Assembly. Five ex-Moderators of the General Assembly sat on the platform the first evening. Rev. R. G. Pearson, in his series of lectures on Romans and the four Gospels, showed himself to be a man in reasoning and a master of the Bible. Every one was delighted with his lectures. Dr. James A. Worden gave some thrilling lectures and practical Normal Lessons exceedingly helpful to Sunday School workers. Dr. Worden is very dear to the hearts of the southern people. The conference on Young People's Work, conducted by Rev. W. R. Gelston, of Philadelphia, were very helpful in suggestions and in inspiration for our young people. Dr. J. I. Vance's three lectures on "Christ," "The Church," and "Love, the link that unites them," commanded the admiration and praise of every one. The lectures of Dr. W. M. Anderson, pastor of the First Presbyterian Church at Nashville, on Pastoral Work were as full of practical points and suggestions to young ministers as our young people. Dr. J. I. Vance's

## Mild Laxative for Baby Free

The child of today is the parent of the future, and whether it grows up healthy and strong, or puny and weak, depends upon the intelligence of its parents, for most children are born into the world healthy, but thousands become future weaklings between birth and the age of ten, when the parents are still in greater control.

The prime cause of a baby that is digesting its food seldom cries and always looks cheerful; the little child whose stomach is good romps and plays and never whines; the growing child learns well at school and is eager to run if its head is clear and its stomach light; and that means if it has no constipation.

The best and safest way to cure any irregularity of the stomach and bowels in children is by the use of Dr. Cardui's Syrup. Pepsin, the liquid laxative wonder in its effect as Mrs. John W. Dunham, Apple Creek, O., Mrs. H. L. Cuttum, Plainville, Ind., and numerous others can testify who give it to their children with extraordinary results.

Take one or two 5-cent or 11-cent according to the size you want, and even one 60-cent bottle will do a wonderful amount of good in a family. It can be given to any member of the family in convalescence, sore stomach, indigestion, constipation, dyspepsia, heartburn, sick headache and similar digestive troubles. It never gripes or strangles like pills, tablets, salts and powders, which should not be given to children, women or old folks.

If you have a child or other member of the family who needs, but has never used this grand laxative tonic, send your name and address to the doctor and a free trial bottle will be sent to you home. In this way you can find out what it will do without personal expense.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 500 Caldwell bldg., Monticello, Ill.
